Crafting Excellence:  
Sayeesha Infra  
at Your Service

# Sayeesha Infra: Your Construction Partner

## Experienced

Sayeesha Infra offers a wide range of construction services, from residential projects to large-scale commercial developments. We have the experience and expertise to handle any project, no matter how complex.

## Skilled Professionals

We employ a team of highly skilled professionals with extensive knowledge in all aspects of construction. Our team is dedicated to providing high-quality construction services that meet our clients' specific needs and exceed their expectations.

## Tailored Solutions

We understand that every project is unique. We work closely with our clients to develop custom construction solutions that address their individual requirements and ensure a successful project outcome.

# Our History: A Foundation of Excellence

## Sayeesha Infra

Founded in 2021 by Satish Pise, Sayeesha Infra brings a wealth of experience and expertise to the construction industry. Satish has over 25 years of experience in civil engineering, working on a wide variety of projects.

## Deep Understanding

Satish has a deep understanding of construction techniques, materials, and project management. He is committed to delivering high-quality construction services that meet the unique needs of our clients.

# Our Services: A Comprehensive Approach

1

## Project Planning & Design

We work with our clients to develop comprehensive project plans that include design, budgeting, and scheduling. We ensure that all aspects of the project are carefully considered to ensure a smooth and efficient construction process.

2

## Construction Management

Our experienced construction managers oversee all aspects of the project, from site preparation to final completion. We ensure that all work is completed to the highest standards and on schedule.

3

## Quality Control

Quality control is an integral part of our construction process. We implement strict quality control measures to ensure that all materials and workmanship meet our high standards. We conduct regular inspections to ensure that the project is on track and that all work is completed to the highest standards.

# Our Clients: Building Trust and Relationships

## Tata Projects Limited

Sayeesha Infra has a strong track record of working with reputable clients. We have a proven ability to deliver high-quality construction services that meet the unique needs of our clients, ensuring a successful project outcome.

## Symbiosis Society

Our commitment to quality and client satisfaction has earned us the trust of leading companies in the industry. Our goal is to build long-term relationships with our clients based on mutual respect and understanding.

## Erecon Spaces

We are proud to have worked on a variety of projects for major corporations and organizations. We are dedicated to providing our clients with exceptional service and a high level of professionalism.

# Project Highlights: A Showcase of Our Work

## Capgemini, Airoli

A complex project involving a high-rise commercial building, requiring precision planning, efficient management, and skilled workmanship.

## SBGI, Mulshi Resort

A challenging project involving a large-scale resort, requiring expertise in site development, infrastructure, and building construction.

# More Project Highlights: Delivering Excellence

# Sayeesh Infra: Building Your Future

Sayeesh Infra is dedicated to delivering high-quality construction services that meet the unique needs of our clients. We are committed to building trust and long-term relationships with our clients. Contact us today to discuss your construction project.
